- The first Ticket Drawing went to Denise _____ (\$50), and the Member Drawing was won by Ken DeMond (\$50).

Past/Future Rides & Events:

- Doug reported that the June 16 Whiskey Mountain ride was not for the faint of heart. There was no shortage of sidehills, rocks, and water crossings. There were 9 machines, 10 riders with one tire problem. Jim Maxey was practicing "layovers."
- Jim said that the 3rd annual Hell's Canyon event offered 3 different rides. Over a period of 8 days, 225 people, representing 10 states participated in 6 rides. The Pathfinders had a private ride. During the orientation all Veterans were introduced and recognized. Haden interjected that Jim did an excellent job as ride leader. There were 3 nasty accidents, but Life Flight was called only once.
- Sage Hen clean-up went well. A group worked for two days.
- The June 8th Idaho Rally and ATV Jamboree was a success despite the weather. Two riders, Jim and Darrell McCracken represented Boise ATV. They both were designated "road Marshall's" on Saturday for the race cars. A great BBQ was held on Saturday evening.
- Jim brought attention to the July 14th, Flint ride, and the June 23rd Silver City Endurance Race. He also said that his machine is only two years old, but he has accumulated almost 10,000 miles. He discovered after the Whiskey Mtn. ride "layover" that riding without a mirror is NOT good. Important to use mirrors.
- WHOOPS Trophy Award: Jim presented the award to Tom Skogerson for his March 24th accident with broke his wrist.
- Bill Jones took the floor to remind us of the Miller Mountain campout and clean-up. If going, call Bill.
