

## 4-17-18 MEETING MINUTES

I read the minutes from the March meeting. Bill Jones motioned to accept and Rick Borders seconded.

Kris Wainwright stated that the minutes from the board meetings would be posted on the website as soon as he made a few more changes. He also mentioned that if anyone was still having problems with meetup, to stop by his table as he brought his tablet and could get them fixed.

John Turpin mentioned that he was going to be placing an order for t-shirts and sweatshirts and for those people who wanted them to stop by his table and fill out an order form.

Unfinished business – Steve stated that we have 88 people that have not renewed their membership for 2018, and that if they hadn't paid by the end of the month that we would be removing them from the website.

New business – Rick and Roberta from the Canyon County club talked to us about their Poker Fun Run & campout on June 22<sup>nd</sup> and 23<sup>rd</sup>. Since it is a "poker run" they cannot charge for it because then it is gambling so it will be free. The ride will be at Chalky Butte which is about 2 miles past Hemingway Butte. There will be a 65 mile self-guided ride that is accessible to all machines and is moderate/intermediate, and also a 32 mile easy ride for beginners. Birds of Prey will be their sponsor again and will be bringing out demo machines. They will be offering a \$100 purse for high & low hands. Hal Hunt will be offering a dutch oven dinner (as long as there is not a burn ban). For those that want to camp they are asked to come early as there is not a lot of room for campers and it will be a first come first serve basis. Jim Maxey will be doing the parking. Registration will begin at 8 and the rides will start between 9 & 10. For those that are camping, there will be pastries, coffee & orange juice offered on Sunday morning as well as a 50 mile guided ride to probably Diamond Basin. The course will be well marked with ribbons

Mike Pierce said that the Idaho City Snowmobile Club wanted to do a fun run this past winter but was unable to due to not enough snow so now they want to do a fun run this summer. The ride will be open to ATV's and side by side's and will be on June 16<sup>th</sup> in Idaho City. They will be using the same route that they would have on the snowmobiles departing from Granite Creek parking lot. Check-in is from 9-11 am with a \$5.00 entry fee. After the ride they will be meeting at Robinson Hall in Idaho City for a raffle. 1<sup>st</sup> prize will be \$400, 2<sup>nd</sup> prize \$300 and 3<sup>rd</sup> prize \$200. Camping is possible but there is not a lot of it. He will update us next month.

Bill Jones stated that he would be offering a GPS class on Wednesday, May 2<sup>nd</sup> at 5:00 pm at Pleasant Valley and power line for those that are interested. You are asked to bring fresh batteries for your GPS, your instruction manual and your ATV. To get there, you head south on Pleasant Valley Road past the penitentiary, past Kuna Mora road, past the railroad tracks until you get to the powerlines.

Sandra Newton gave the Tales from the Trail report. She also talked about a few suggestions for this years Xmas party and passed around 2 get well cards for Tom Zumwalt for people to sign.

Jim Maxey clarified that in Oregon for the safety sticker, that only Class 1 (ATV's) and Class 3 (motorcycles) had to take the safety class in Oregon. Side by side's are not required by law to take it as they are a Class 4.

Steve asked for a motion to adjourn. I motioned and Bill Jones seconded.

A clinic on bleeding and shock was held after the meeting.
