### ***What is the purpose of the Boise ATV Trail Riders?***

The Boise ATV Trail Riders (Club) was started in 1996 by a couple of avid ATV riders to:

- Foster, promote and enhance the use of ATVs for recreational purpose in the State of Idaho.
- Educate, encourage, and promote the safe and responsible use of ATVs.
- Organize and sponsor ATV rides and events.
- Cooperate with public land management and/or regulatory agencies, but always reserving the right to oppose regulations or actions the Association considers unfair and/or not serving the best interest of the members.
- Sponsor the enactment of fair state, federal and private land use laws and regulations pertaining to the ownership and operation of ATVs. To actively oppose such laws and regulations as determined to be detrimental to the best interests of the members.
- Actively seek out and build mutually beneficial relationships with other recreational users of public land.
