REGULAR MEETING MINUTES
March 18, 2014**

A meeting of the Boise ATV Trail Riders General Membership was held at Idaho Pizza Company at 405 E. Fairview Ave., Meridian, Idaho, on Tuesday, March 18, 2014, at 7:00 p.m. with Steve Huffman, President, presiding and Blake Burgess acting as Secretary.

Steve Huffman, President, called the meeting to order. The President welcomed and introduced new members and guests.

Steve Huffman introduced Todd Wernex of the Idaho Department of Parks and Recreation. Todd updated the members on trail construction and reconstruction efforts during 2013. In total, 1,843 miles of trails and over 11,000 trees were cleared. Todd also provided members updates on the Blacks Creek/Wilson Flats areas reconstruction efforts and Forest Service projects such as the Fairfield/Soldier Front, Idaho City/Granite Creek area, and the Thunder Mountain/Riordan Lake area. Todd also discussed upcoming grants programs coming up.

Blake Burgess, Secretary, provided the minutes of the February 18, 2014 regular meeting as part of the printed meeting agenda. The meeting minutes were unanimously approved as presented.

It was moved and seconded to waive the Treasurer's Report for the month of February 28, 2014. The motion passed unanimously.

Mike and Yvette Pierce, Membership Directors, indicated that access to certain sections of the website, including the ride calendar, are now restricted if 2014 dues have not been paid. Mike also indicated the Club store has several BATR shirts and hats available and other items that can be ordered. So far, 71 members have renewed dues for 2014, with several more renewing at tonight's meeting.

Pauline Jones, web administrator provided a brief explanation of the website registration process for new members. There was a brief discussion regarding several members having to log in twice to access the website. Pauline indicated it was likely an issue with the individual member's computers settings rather than a website issue.

Jim Maxey reviewed past and upcoming rides. The upcoming rides, along with the trail difficulty guide, were presented along with the agenda.

Jim Maxey thanked the members that volunteered to work the Sportsman Show. Several new members have joined local clubs as a result of the club's booth. Jim also indicated that the purchase of the new Bosski ATV trailer has been completed and is ready for use. The smaller Bosski ATV trailer can be towed by most members with a simple brake light modification. The net cost to the club was slightly less than \$80.

Bill Jones indicated a GPS class will be held in late March for those members interested. Bring your ATV, GPS and spare batteries. See the members training area for the date/time and to sign up for the class.

Mike and Yvette Pierce announced 3 ticket drawings and 1 membership drawing throughout the meeting.

There being no further business, the meeting was adjourned at approximately 8:15 p.m.
