## Silver City Mile Marker Project - Boise Chapter - October 1, 2008

Event Leader: **Bill Jones**

Photos & Story: **Bill Jones**

Owyhee County Sheriff Aman sent me an e-mail requesting some assistance in placing some mile markers on the Silver City road and asked if we could give him a hand with the grunt work.

Our Idaho ATV Association responded with six volunteers from the Boise Chapter. We met at 10:00 a.m. on Wednesday, October 1 at the Owyhee County Highway Shops where we picked up all the numbers and posts.

Once assembled, we drove up the Silver City road placing signs on every mile up to Silver City. We put up 19 metal signs, so think of us when you see them!

The job was completed at 2:25 p.m. Thanks to Ron Strolberg, Russ Newcomb, Scott Dickson, Pete Collins, and Jim Maxey for helping me with this impromptu project.
