## March 15, 2022 General Meeting Minutes

Sandra Newton, Past President of the club, greeted everyone at 7:00 PM at Idaho Pizza in Meridian, Idaho as President Bill McBroom was out of town.

The Pledge of Allegiance was recited.

Sandra welcomed the six new members at the meeting.

Three representatives from the Idaho Department of Parks and Recreation attended the meeting -- Michael Lindenfelser, South Region Trails Specialist and Zane Patterson and Mich both members of the ATV trail crew. Mike reported the OHV stickers that are purchased pay for grants for trail projects. There are approximately 130,000 -140,000 ATV/UTV registrations and 30,000 motorcycle registrations, making about 80% of total registrations for ATV/UTVs. Idaho Parks and Rec now has a dedicated trail crew for ATVs and are continuing to re-evaluate and "keep ball rolling" to get more employees for ATV trails. Presently the focus is on maintaining trails rather than making new trails. The ATV trail crew is now working in the Owyhee area and then will progress to the Danskins. A hazard repair issue in the Sage Hen area was mentioned and Mike will check with Savanna Seal, the Rec Ranger in Cascade area, for up-to-date info. Also, he mentioned visiting [trails.idaho.gov](https://trails.idaho.gov) for additional information on trails.

Sandra asked if there were areas the club could volunteer to help and Mike said definitely and to get in contact with him. He also mentioned to contact him regarding any questions/concerns about specific trails.

Jim Maxey gave Tales from Trails report. He reviewed past and future trail rides and again suggested checking website for more info. On the Swan Falls ride there was one rollover but no one seriously hurt. Thus the Crash Award was given to Mike and Carol Hennesy

*Fennesy*

The Sportsman Show was a very successful event this year. Very busy with a steady flow of people. Passed out about 300 brochures. Twenty-one people signed up at the show with 12 for the Boise club.

Jim also reminded everyone if riding in Oregon must have Oregon sticker and if riding ATV must have Safety card.

Also, good idea to take ATV/UTV Idaho Safety Course. Check Idaho Parks and Rec website for current information on safety classes.

Minutes from the February 15, 2022 general meeting were read and approved.

Sandra gave treasurer's report as Kellie was not in attendance. Beginning balance of \$4021.52, less expenses of \$274.85 plus income of \$984.91 leaving balance of \$4731.58 as of 3/15/22. Approved.

Kelly Dwello gave membership report. 113 paid members including 12 new members from Sportsman Show and 4 recent mail-in applications.

Sandra shared info about Idaho State ATV annual meeting on August 18-22 in Elk City. Will be hosted by Elk City Dust Devils. Mark calendars as great place to ride and fun time.
