## Boise Chapter Ride Leader - Zee Miller

**RABBIT CREEK CLEAN-UP, Idaho City, Saturday, April 23**—There were more than 30 people that came to help clean up the trails. We divided the riders up into four groups: Doug Mason lead group up Deer Creek. Bill

Jones took a group up Banner Creek and found a wash-out and had to return early. Dave Fisher lead a group up and down Bear Run. They had to turn around because of snow. I took a group up Steam Boat (Pine Creek), down Banner Creek and No Name Creek. Had a great ride. Each group found some snow to play in. (Johnne wasn't impressed with snow!) Dave and Rose, Tom and Penny, John Calhoun, Bob Sterling and a few others stayed for a barbecue and camped overnight. We went for a ride on Sunday. —Zee Miller
