### Saturday, October 15 - Succor Creek.

Met the riders in Homedale and we traveled six and one-half miles to Fisherman Road and Succor Creek. Eighteen riders and 17 machines rode 18 miles to Cherry Creek at the Owyhee Reservoir.

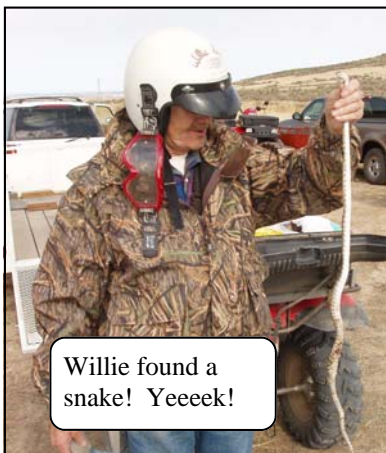

We ate our lunch at the Owyhee Reservoir's campground picnic tables in the sun and enjoyed the view of the lake.

Arrived back to the parking lot around 4:00 p.m. It started out windy, but turned out to be a nice day. No accidents or incidents. It was a good ride! Altogether, we rode about 40 miles.
